The Professional Certification – Foundation program is offered and accredited by buildingSMART International. Starting from 2021, HKABAEIMA, as the Hong Kong Chapter, starts offering the program in Hong Kong.

To gain your life-long and globally recognised qualification, please take the following steps:

- Attend two compulsory training courses;
    - Course 1: open BIM and BIM Training Programme (Part 1) with CITF Course Code PBT20-047
    - Course 2: open BIM and BIM Training Programme (Part 2) with CITF Course Code PBT20-048
  - Take and pass the exam; and
  - Get your certificate, and your name will be shown in buildingSMART International's website.
- Please Note: Both Courses 1 and 2 have to be attended and completed before taking the examination.
